Student/Academic Membership

City Lights Artists' Co-op is a 501(c)3 co-operative of around 100 local artists whose mission is to promote local art and art education in the community. We are a 100% volunteer organization established in 2003 and located at 3 East Army Street in the Water Street District of Henderson.

We are offering a reduced membership rate to students and art teachers. City Lights believes it is essential to ensure we maintain a close relationship with art students throughout the valley. In addition to supporting a local gallery, each student/academic member will have the opportunity to exhibit their work at the gallery during one of the exhibitions during the year.

Benefits of membership:

- Exposure to other artists.
- Exhibit and possibly sell member's artwork.
- Gain experience on how an art gallery operates.
- Exhibit artwork outside of a classroom setting.

The gallery also hosts several fund raising events throughout the year to raise money for the Scholarship Program. Scholarships are awarded once a year to art students from the local area. Students do not have to be a member of the gallery, but this year the gallery is going to include a one year membership along with each scholarship award.

The gallery also has several classes open to both members and non-members. Class topics include watercolor, oil, abstract media, drawing and more. One or two day workshops are also routinely scheduled.

The cost of a student membership is \$20 per year. Student membership is available to all students who have a current student ID.
